

Venezia Wood Bench

A monolithic bench model with an exquisite combination of granite or marble stones arranged to lodge wooden slats that offer a comfortable seat at both high and low temperatures.

Part of a range

Quality & durability

- Made from granite or natural marble stones and conifer wood seat slats.
- All surfaces are sandblasted, except for the seating surface that can be polished, to give the product a shiny effect, or bush-hammered, for a rough appearance.
- Surfaces are covered with a transparent anti-decay coating, or, upon request, with anti-graffiti products.
- *Dimensions:*
length: 1900 mm
width: 450 mm
height: 450 mm
total weight: 266 kg.

Ideal for

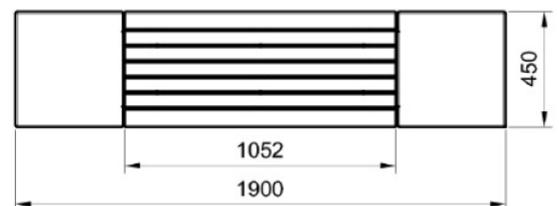

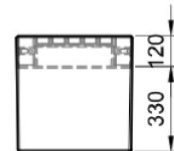

- Architectural urban spaces
- High profile metropolitan settings

Finishes available

- Granite in selected colours
- Marble stones in selected colours
