

Lido 2500

A beautifully crafted product by Bellitalia®, the Lido 2500 is a monolithic bench having a round section. It is possible for the customer to match the bench with a custom-made base, able to grant a perfect flatness also by means of a covering cap that plugs the space for greenery.

The bench can be manufactured using reconstituted natural marble stones or white granite conglomerate. Perfect for indoor and outdoor use.

Part of a range

Environmental credentials

Quality & durability

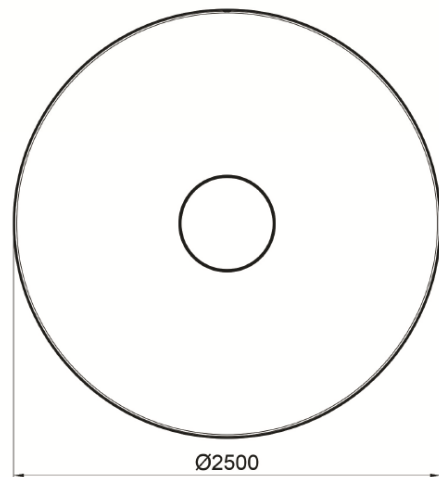

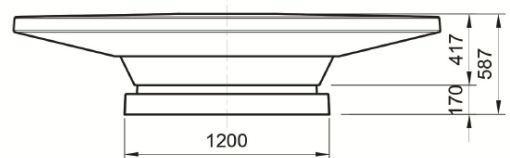

- Removable plug in the center to add plantings/greenery to if desired, alternately leave the plug in to create a completely flat surface
- All surfaces are sandblasted (excluding the top seat surface which can be polished, to give the product a shiny effect)
- Surfaces covered with a transparent anti-decay coating or upon request, with anti-graffiti products
- All edges are rounded or made blunt.
- Bench is reinforced and endowed with bushes that permits lifting

Ideal for

- Commercial Developments
- Retail Developments
- Schools/Universities
- Almost any situation!

Finishes available

- Natural marble stones or white granite conglomerate
