

Urban Elite Double BBQ

Introducing the revolutionary Elite BBQ Range, powered by **GX Outdoors (formerly Grillex)**.

The Elite BBQ is specifically designed to address the various issues that our customers encounter. This new range focuses on easy maintenance and features a modern look with curved corners, concealed fixings, and wheelchair accessibility. With the Elite BBQ, we have significantly improved functionality and safety while delivering an aesthetically pleasing and all-inclusive outdoor cooking experience. Elite BBQ is available in single, double, or triple sizes.
